

2002 Annual Report Executive Summary

Empowerment Alliance of SW Florida

We have completed 70% of our 26 benchmarks for the first two years and have identified our goals for the next two to five years. The Strategic Plan for the Empowerment Alliance Enterprise Community identifies the following Goals, Objectives and Strategies for implementation. The Strategic Plan was developed in 1998 with broad community input and is updated and revised annually. The Alliance and its Partners have accomplished the following strategies over the last year.
